Dear Sir:

Pursuant to 37 C.F.R. §1.97 and § 1.98, Applicant submits for consideration in the above-identified application the documents listed on the attached Form PTO/SB/08a/b. Copies of the non-patent literature documents are submitted herewith, except as noted below. The Examiner is requested to make these documents of record.

Non-patent literature Documents numbered 4, 8, 9, 10, and 11, on the attached Form PTO/SB/08a/b were cited in a Supplementary Partial European Search Report mailed on March 9, 2006, directed to related European application no. 03713429.3, filed February 12, 2003 and have not been previously cited, accordingly copies are submitted herewith. Documents numbered 5, 6, and 7 on the attached Form PTO/SB/08a/b were also cited in the Supplementary Search Report, but

sf-2115187

were previously cited in and information disclosure statement for the current application, and so, copies of the documents are not submitted herewith. A copy of the Supplementary Search Report is submitted herewith. Since document numbered 9 on the attached Form PTO/SB/08a/b contains an English summary, and the Supplementary Search Report in which it is cited is in English, the requirement for a concise explanation of relevance for non-English language information should be fulfilled.

This Supplemental Information Disclosure Statement is submitted:

- ☒ **Within three months of the application filing date or before mailing of a first Office Action on the merits; accordingly, no fee or separate requirements are required. However, if applicable, a certification under 37 C.F.R. § 1.97 (e)(1) has been provided.**

  - ☐ A fee is required. A check in the amount of \_\_ is enclosed.
  - ☐ A fee is required. Accordingly, a Fee Transmittal form (PTO/SB/17) is attached to this submission in duplicate.
  - ☐ A Certification under 37 C.F.R. § 1.97(e) is provided above; accordingly; no fee is believed to be due.
- ☐ After mailing of a final Office Action or Notice of Allowance, but before payment of the issue fee.

Applicant would appreciate the Examiner initialing and returning the Form PTO/SB/08a/b, indicating that the information has been considered and made of record herein.

The information contained in this Supplemental Information Disclosure Statement under 37 C.F.R. § 1.97 and § 1.98 is not to be construed as a representation that: (i) a complete search has been made; (ii) additional information material to the examination of this application does not exist; (iii) the information, protocols, results and the like reported by third parties are accurate or enabling; or (iv) the above information constitutes prior art to the subject invention.

In the unlikely event that the transmittal form is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief (such as payment of a fee under 37 C.F.R. § 1.17 (p)) is required, Applicant petitions for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petition and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. **416272003800**.

Dated: *May 24, 2006*

Respectfully submitted,
